Dear Friend:

For almost 50 years, Westside Ballet of Santa Monica has built and sustained a prestigious pre-professional classical ballet company of talented young dancers, many of whom have gone on to dance with the world's great ballet companies. Our students' training and performance experience provides a strong foundation of dedication and creativity that they later bring into the local community and to the world at large. Westside Ballet has built and sustained a repertoire that excites and captures the imagination of all audiences. With the support of a nurturing Santa Monica community, the Company continues to grow and develop.

As a local business owner, we believe you embody the same skills and talent we inspire in our students every day. Each year we hold a "Spring Performance", with a silent auction featuring items or services that are donated from local businesses. ***This year the performance is being held on Sunday May, 8 2016, at the Broad Stage, in celebration of Mother's Day.*** This is an opportunity for you to support Westside Ballet, and a unique way to market your company to individuals who are just as invested in the culture of the Westside as you are.

- *Your donation is fully tax-deductible. Westside Ballet is a non-profit 501(c)(3) and all proceeds from auction go directly to support production expenses for 200 students, such as costumes, the renowned Broad Stage venue, and dance instructor salaries.*
- *We work with you to market your donation and business to hundreds of alumni families, our esteemed parent body, their friends and family, and a broad spectrum of attendees from the Santa Monica community through signage, catalog and website listings.*

Enclosed is a donation request form with our non-profit TAX ID number. Your completed donation form and gift certificate can be mailed to the address listed above. If possible, please enclose a business card or brochure that we can display at our auction. If you prefer, we can prepare a gift certificate on your behalf, per your instructions. Any type of donation is welcome, ranging from gift certificates or product samplings, to a priceless good you'd like to see benefit your community.

Regardless of your ability to donate, we do hope you will be able to attend our Spring Performance, one of our many performances during the year. For 48 seasons we have used our multi-week production of the Nutcracker as an educational outreach program to bring classical ballet to young dancers and provide access to the arts for disadvantaged and special-needs children in the community. Westside Ballet of Santa Monica has an audience of all ages, ethnic and racial backgrounds, gender and sexual orientations, and socio-economic status, and **we enthusiastically invite you to join us.**

Warmly Yours,
Jewels Solheim-Roe and Cheryl Scaccio
